

## In Memory of Brian Smith

Brian Smith was a visionary leader whose unwavering commitment to community service made a lasting impact on Blueprints and the communities we serve. As a founding member of the Blueprints Annual Clay Shoot, he helped create a tradition that continues to support our mission. His passion for economic growth and stability was evident in his strong support for programs that empower individuals and families. Though he passed away in November 2022, his legacy lives on, inspiring all who knew him and the many lives he touched.
